INTRODUCTION

Serratoga Falls Metropolitan District No. 1 (“**District No. 1**”) and Serratoga Falls Metropolitan District No. 3 (“**District No. 3**” and together with District No. 1, the “**Districts**”) are quasi-municipal corporations and political subdivisions of the State of Colorado (the “**State**”) located in the Town of Timnath, Colorado (the “**Town**”). The Town approved the original Service Plan for the Districts (and Serratoga Falls Metropolitan District No. 2) on March 9, 2006, and the Amended and Restated Model Service Plan for the Districts on April 1, 2016 (as so amended, the “**Service Plan**”).

This Amendment to Amended and Restated Model Service Plan (this “**Amendment**”) is submitted pursuant to Title 32, Article 1, C.R.S., and the Town’s requirements. Capitalized terms used but not otherwise defined in this Amendment have the meanings set forth in the Service Plan.

I. PURPOSES OF AMENDMENT

The purpose of this Amendment is to make certain changes to the following provisions: to (i) recognize that the Districts have been reconfigured, as expressly permitted by the Service Plan, so that District No. 1 now is expected to include residential and commercial taxable property and, for clarity, to replace the Initial District and Inclusion Area Boundary Map set forth as **Exhibit C** to the Service Plan with a new **Exhibit C (Revised)**, reflecting the current boundaries of the Districts; (ii) revise the cost estimates of the Public Improvements for District No. 1 set forth in Section V.C of the Service Plan due to the passage of time, significantly increased costs of construction and changes to the capital plan and to replace the Preliminary Engineering Survey set forth in **Exhibit E** to the Service Plan with a new **Exhibit E (Revised)** attached hereto, reflecting such changes; and (iii) revise the maximum debt limit set forth in Section VI.A of the Service Plan to recognize the increased costs of the Public Improvements for District No. 1 and increased projections for assessed valuation.

II. REVISIONS TO EXHIBIT C

Exhibit C of the Service Plan setting forth the Initial District and Inclusion Area Boundary Map is hereby amended by **Exhibit C (Revised)** attached hereto and incorporated herein by reference.

III. REVISIONS TO SECTION V.C AND EXHIBIT E

Exhibit E of the Service Plan attaching and cost estimates of Public Improvements is hereby amended by **Exhibit E (Revised)** attached hereto and incorporated herein by reference. As set forth in **Exhibit E (Revised)**, the estimated cost of the Public Improvements for District No. 1 is \$34,914,006.80.

IV. REVISIONS TO SECTION V.A.10 and VI.A

Sections V.A.10 and VI.A of the Service Plan set forth a total Debt limit for the Districts of \$16,000,000. By this Amendment, the Debt limit for District No. 1, independent of any debt issued by District No. 3, shall be \$25,000,000, which allows for

approximately 110% coverage of the estimated financial plan and pro-forma projections to provide an additional contingency for changes in actual construction, increases in assessed valuation and unforeseen changes and contingencies.

V. EFFECT OF AMENDMENT

Except as specifically modified herein, the Service Plan remains in full force and effect.

VI. RESOLUTION OF APPROVAL

The District incorporates in this Amendment the Resolution of the Town Council for the Town of Timnath approving this Amendment, including any conditions of approval.

IMPORTANT DISCLOSURES

This document and any other materials accompanying this document (collectively, the 'Materials') are provided for general informational purposes only. By accepting any Materials, the recipient acknowledges and agrees to the matters set forth below.

Wells Fargo Securities ('WFS') is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company ('WFC') and its subsidiaries, including Wells Fargo Securities, LLC, member NYSE, FINRA, NFA, and SIPC and Wells Fargo Bank, National Association, acting through its Municipal Products Group. Municipal derivatives services are provided by Wells Fargo Bank, N.A. ('WFBNA'), a swap dealer registered with the CFTC and member of the NFA. Commercial banking products and services are provided by Wells Fargo Bank, N.A. Investment banking and capital markets products and services provided by Wells Fargo Securities, are not a condition to any banking product or service.

Wells Fargo Securities is providing these Materials to you for discussion purposes only in connection with serving as an underwriter or placement agent (collectively referred to herein as "underwriter") to you. As part of our services as underwriter, Wells Fargo Securities may provide advice concerning the structure, timing, terms, and other similar matters concerning the issue of municipal securities that Wells Fargo Securities proposes to underwrite as described in the Materials. The Materials may also contain such advice. Any such advice has been, and would be, provided by Wells Fargo Securities in the context of serving as an underwriter and not as your financial advisor. In our capacity as underwriter, our primary role is to purchase securities from you (or the issuer in the case of a conduit transaction) for resale to investors, or arrange for the placement of securities with investors on your behalf, in an arm's length commercial transaction between you and Wells Fargo Securities in which Wells Fargo Securities is acting solely as a principal or agent, as applicable, and not as a municipal advisor, financial advisor or fiduciary to you or any other person or entity regardless of whether we, or an affiliate has or is currently acting as such on a separate transaction (the use of the term "agent" does not imply any fiduciary relationship). As underwriter, Wells Fargo Securities' financial and other interests differ from your (or the issuer's) interests. The information in the Materials is not intended to be and should not be construed as "advice" within the meaning of Section 15B of the Securities Exchange Act of 1934. Wells Fargo Securities will not have any duties or liability to any person or entity in connection with the information being provided in the Materials. You should consult with your own financial and/or municipal, legal, accounting, tax, and other advisors, as applicable, to the extent you deem appropriate.

Please be advised that any information in the Materials regarding municipal derivatives is being provided by WFBNA as a swap dealer and that any swap offered or recommended in the Materials is being offered or recommended by WFBNA as a swap dealer.

If you would like a municipal advisor that has legal fiduciary duties to you, you are certainly free to engage a municipal advisor to serve in that capacity.

Any municipal underwriting, commercial paper and remarketing rankings referenced herein represent combined totals for Wells Fargo Bank, National Association, acting through its Municipal Products Group ('WFBNA MPG') and Wells Fargo Securities, LLC ('WFSLLC'). Non-municipal underwriting, commercial paper and remarketing rankings referenced herein represent totals for WFSLLC only. Source information for any ranking information not otherwise provided herein is available on request. Any rankings referencing competitive municipal new issues for time periods prior to 2011 include issues underwritten by Wells Fargo Clearing Services, LLC ('WFCS'), a separate broker-dealer subsidiary of WFC. Underwriting activities of WFCS are not managed or otherwise controlled by WFBNA MPG or WFSLLC. Information for 2009 and prior includes transactions that may have been underwritten by other broker-dealers that were acquired by WFC and/or its predecessors.

If the Materials are being provided to you under any of the following events, the information contained in the Materials and any subsequent discussions between us, including any and all information, advice, recommendations, opinions, indicative pricing, quotations and analysis with respect to any municipal financial product or issuance of municipal securities, are provided to you in reliance upon the Swap Dealer, Bank, RFP, IRMA exemptions and underwriter exclusion, as applicable, provided under the Muni Advisor Rules. In the event the Swap Dealer, Bank, RFP, IRMA exemptions, or underwriter exclusion do not apply, the information included in the Materials are provided in reliance on the general information exclusion to advice under the Muni Advisor Rules.

In the event that you have provided us with your written representation in form and substance acceptable to WFBNA that you are represented by a 'qualified independent representative' as defined in the Commodity Exchange Act ('CEA') with respect to any municipal derivative or trading strategy involving municipal derivatives described in the Materials, we have provided you with our written disclosure that we are not acting as an advisor to you with respect to the municipal derivative or trading strategy pursuant to Section 4s(h)(4) of the CEA and the rules and regulations thereunder, and have taken certain other steps to establish the 'Swap Dealer exemption' under the Muni Advisor Rules.

Any information related to a bank-purchased bond transaction ('Direct Purchase') included in the Materials is a product offering of WFBNA or a subsidiary thereof ('Purchaser') as purchaser / investor. WFS will not participate in any Direct Purchase transaction between you and Purchaser, and Wells Fargo employees involved with a Direct Purchase transaction are not acting on behalf of or as representatives of WFS. The information contained herein regarding Purchaser's Direct Purchase is being provided to you by WFS only for purposes of providing financing alternatives that may be available to you from WFC and its affiliates. Information contained in this document regarding Direct Purchase is for discussion purposes only in anticipation of engaging in arm's length commercial transactions with you in which Purchaser would be acting solely as a principal to purchase securities from you or a conduit issuer, and not as a municipal advisor, financial advisor or fiduciary to you or any other

IMPORTANT DISCLOSURES

person or entity regardless of whether Purchaser, or an affiliate has or is currently acting as such on a separate transaction. Additionally, Purchaser has financial and other interests that differ from your interests. Purchaser's sole role would be to purchase securities from you (or the conduit issuer). Any information relating to a Direct Purchase is being provided to you pursuant to and in reliance on the 'Bank exemption' under the Muni Advisor Rules and the general information exclusion to advice under the Muni Advisor Rules.

In the event the Materials are being provided in connection with a RFP, the SEC exempts from the definition of municipal advisor 'any person providing a response in writing or orally to a request for proposals or qualifications from a municipal entity or obligated person for services in connection with a municipal financial product or the issuance of municipal securities; provided however, that such person does not receive separate direct or indirect compensation for advice provided as part of such response' ('RFP exemption'). In such event, we have relied upon the RFP exemption, and on your distribution and execution of this RFP through a competitive process. In the event WFBNA MPG is the party providing the Materials responses to all questions, certifications, attestations, information requests, and similar in the RFP or RFQ to which this response relates are specifically limited to, in context of, and as applied to, WFBNA MPG in its capacity as a separately identifiable department of a national bank that is registered as a municipal securities dealer with the Securities and Exchange Commission, Office of the Comptroller of the Currency, and Municipal Securities Rulemaking Board; and not on behalf of Wells Fargo Bank, N.A., unless specified otherwise in our response.

In the event that you have provided us with your written representation that you are represented by an independent registered municipal advisor (an 'IRMA') within the meaning of the Muni Advisor Rules, with respect to the transaction(s) described in the Materials we have provided you with our written disclosure that we are not a municipal advisor to you and are not subject to the fiduciary duty under the Muni Advisor Rules, if applicable, and have taken certain other steps to establish the 'IRMA exemption' under the Muni Advisor Rules.

In the event that you have engaged us to serve as an underwriter with respect to the municipal securities issuance described in the Materials we have provided you with our written disclosure regarding our role as an underwriter, that we are not a municipal advisor to you and are not subject to the fiduciary duty under the Muni Advisor Rules, if applicable.

If savings threshold level information is contained herein, please be advised that WFS is not recommending nor providing advice regarding which maturities should be refunded by you.

Wells Fargo Securities and/or one or more of its affiliates may provide advice or may from time to time have proprietary positions in, or trade as principal in, any securities or other financial products that may be mentioned in the Materials, or in derivatives related thereto.

Notwithstanding anything to the contrary contained in the Materials, all persons may disclose to any and all persons, without limitations of any kind, the U.S. federal, state or local tax treatment or tax structure of any transaction, any fact that may be relevant to understanding the U.S. federal, state or local tax treatment or tax structure of any transaction, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state or local tax treatment or tax structure, other than the name of the parties or any other person named herein, or information that would permit identification of the parties or such other persons, and any pricing terms or nonpublic business or financial information that is unrelated to the U.S. federal, state or local tax treatment or tax structure of the transaction to the taxpayer and is not relevant to understanding the U.S. federal, state or local tax treatment or tax structure of the transaction to the taxpayer.
